The cat

On one sunny day Mary was watering some plants in her garden. In the meantime a black cat was scratching a tree in Mary's garden and trying to climb up the tree. And somehow, it managed to do so. When Mary turned around, she noticed the cat. Now the cat was sitting on a tree branch. But surprisingly enough, it wasn't scared. The kitty was pretty relaxed even though it was sitting so high above the ground. But Mary still decided to rescue the cat, because she was afraid that the cat might have gotten hurt. Firstly, Mary called the fire fighters, because they could help her to take the cat off the tree. Then Mary tried to tempt down the cat by offering it some fish, but to no avail. So, when the brigade of fire fighters finally arrived, Mary greeted them and showed them where the cat was. One of the fire fighters put a ladder right next to the tree, and then climbed the ladder. Eventually, the kitty was rescued and Mary decided to treat the fire fighters as a way to thank them. She offered them some sweets and some tea, and so they all had some tea together. 100
