A neighbour's cat

Once upon a time, an old, dark-haired lady named Mrs. Wood was watering her plants in the garden, when she heard a strange sound, "Meow!" - Mrs. Wood turned her head to the sound. "Who's there?" - was the only thing she said when she saw a neighbour's cat, Debbie "climbing on her tree."

"Debbie, where are you going, eh?" - Mrs. Wood exclaimed anxiously. - "You don't want to get in trouble, don't you?" - lady rushed in her house to give a little some fish - maybe it'll help to get Debbie off the tree and rescue it."

Mrs. Wood jumped down and called the brigade of the firefighters. ~~Young men~~ "Young men, hurry up - there's a neighbour's cat on my tree! Come rescue it!" - Don't worry, Mrs. Wood - a young, slim blonde-haired firefighter said - we will try our best and rescue it."

Eventually, they took Debbie off the tree. "Oh, thank goodness! Come, I will treat you two with some food" - Mrs. Wood invited them. - Let's go inside I will make you some cake - after that they had a dinner together and Debbie ran back home.
