Catching a robber

When two boys were walking past the bank, they saw an armed robber that was robbing a bank. The sheriff was always afraid to see it, so the boys thought about helping him to catch the robber. They decided to tie a rope and hold it on the exit of the bank, so the robber trips over and strikes. The boys tied a rope, ran to the bank and held it on the exit. The sheriff came back and saw what they were doing, he liked the idea. The boys and the sheriff waited for the robber to run out. The robber ran out and tripped on the rope, he struck and the robbed money flew everywhere. The sheriff was standing near the boys, he caught and put handcuffs on the robber. The sheriff thanked the two boys for helping him to catch a bank robber. The boys were proud and became famous in their town.
